## The Superintendent Search

The Ridgemont Local Board of Education is seeking qualified applicants for the position of superintendent. The new superintendent will replace Mr. Bruce Gast, who is returning to his home district as Superintendent to head an Ohio School Facilities Project.

In addition to providing leadership for all programs and operations, the board is seeking an individual who will serve as a model of professionalism, capable of articulating and achieving the district's educational mission and vision. Hardin County E.S.C. Superintendent Ron Peple is assisting the Board with its search.

The Ridgemont Local Superintendent is the chief executive officer of the school district. It is his or her responsibility to advise board members on administrative matters, execute policies and decisions made by the board, and operate the district efficiently and effectively. A committed Board of Education, Treasurer Fred Reinemeyer, and other key staff and administrators assist and support the Superintendent.

## About the district

Ridgemont School District's 583 students are housed in two buildings within the communities of Ridgeway and Mt. Victory. They are beneficiaries of a dedicated staff, an enthusiastic Board of Education and a challenging academic curriculum, supplemented with award winning extracurricular programs. The major goal of the board, administration, and staff is increasing the academic achievement of students to a higher local and state-wide level. The 2008-09 School Year Report Card designated the district as being "Effective".

The district strives to integrate technology into the curriculum and evaluate its effectiveness to maximize student achievement. The Ridgemont web site further supports our students, parents, and community. Moodle programming, ProgressBook, and online grades are examples of this support.
