

HOMWORK IDEAS

Homework helps a student retain what they have learned by reviewing material and practicing procedures in another environment and with a different teacher (you).

STUDENTS

*Write your assignments and due date in assignment book or on paper as soon as possible.

- ▶ Do your homework:
 - At a regular time each day.
 - In a quiet, well-lighted place (no TV, radio, or telephone).

- ▶ Have supplies and resources available (paper, pencils, dictionaries, reference material, and access to a library)

- ▶ Put finished work back into your bookbag.

PARENTS

- Do not do homework for your child.
- Look through the bookbag for homework, finished work, or school information.
- Set rules about doing homework and when.
- Remind students to put finished work back in the bookbag and check to see if it is there.

ROUTINES

- ▶ SET ROUTINES (regular schedules)
 - WAKE-UP TIME
 - MEAL TIME
 - CHORE TIME
 - HOMEWORK TIME
 - BATH TIME
 - BED TIME
